THE ART OF FUSION

In an exclusive collaboration between watchmakers Hublot and ski-supremos ZAI, a limited edition of the incredibly sophisticated All Black Ski will hit the slopes this winter. Inspired by the fusion of various materials, a concept present in both, the watches and the skies, these new ultra-desirable skies combine the very best in dynamics and elasticity, perfect for the 111 lucky ones who will get their hands on them! www.hublot.com.....

STRELLSON.....

The Swiss fashion and lifestyle company Strellson has celebrated its very first standalone boutique in Berne. Further locations are planned for China, Russia, Belgium, the Netherlands and Austria. The Swiss outfitters new digs are expressive and modern – much like the Strellson man. www.strellson.com.....

RECYCLINE.....

Recycline is a playful series of design products made with recycled Valsler PET bottles. Known for their shimmering green, ribbed surface, the mineral water bottles are cut, pierced perforated and glued into zippy candleholders, airtight food jars, recipients, piggybanks, news racks and vases. www.ryterdesign.ch.....

HYAZINTH.....

Switzerland's first perfume bar has landed in Basel at the reputable parfumerie Hyazinth, a place to get carried away in a world of scented emotions, offering exciting blends, powders, lotions and potions since 1921. www.hyazinth.ch.....

CHOCO-HOLIC.....

Switzerland is the land of chocolate and the recent opening of Chocolatier Vollenweider has added yet another bright star to the sky over cocoa aficionados with their extravagant and often unusual creations. Handmade pieces of heaven follow century old recipes that translate into mouth-watering surprises in stunning boxes, taking the chocolate treat to a whole new level!..... www.vollenweiderchocolatier.ch
